Why Come to the Kutztown Convention?

For those of you who may not be familiar with the annual convention in Kutztown, you may be asking, with so many different magic conventions, why should we come to Kutztown? What makes this convention special?

First of all, it is a one day convention, so you probably do not have to take off work. The price is extremely reasonable, especially with our early payment pricing to take account of today's economy, and when you consider the value we provide in this convention. This is what you receive with your all day ticket:

We have:

- ◆ First and foremost, we have some of the greatest names in Magic. This year we have Rocco, Geoff Williams, Gazzo, John Carney and David Williamson. And we are not finished yet. There will be more announcements in the future.
- ◆ A Flea Market that runs the entire morning enabling many to pick up some very nice bargains.
- ◆ An auction that runs in the afternoon that again allows some nice magic deals (Anybody attending is allowed to submit lots to the Auction)
- ◆ We have not 1, not 2, but 3 lectures for the magicians really interested in learning and honing their craft. This year the lectures will be by Gazzo, John Carney and David Williamson. All 3 are at the very top in the world of magic. Many times you will pay at least \$20.00 to \$30.00 for one lecture. Here you get 3 lectures plus everything else this convention provides.
- ◆ Very solid, reputable dealers that offer a great variety. You will not find at Kutztown 5 dealers selling basically the same things.
- ◆ A close-up show prior to dinner.
- ◆ A full Dinner that is included with the price of your ticket (prior to 11/1).
- ◆ A full evening show with our headliners.

We have even added some new features we didn't have in years past.

- We have a new, larger, more spacious venue that makes the convention even better.
- A longer period of time to be open for the Flea Market Tables.
- Our dealers will be open **all day**, so you can stop by any time.
- We have added the option of purchasing lunch if you choose right at the convention rather than leaving to go out to eat. You of course, still may do that, but now for your convenience lunch is available without leaving.
- We will have refreshments and snacks available for purchase all day.

As a result we believe we offer the best one day convention in the entire country. We are proud of it, and invite you to the *World's Greatest Magic* in Kutztown, PA.

Assembly 92 & Ring 57

Note: Under agreement with the School District, outside food or drink is prohibited from being brought into the building except that provided by the School District or Assembly 92.

Flea Market Table Information

The Flea Market will run from 9:00 to 12:00. You will receive 1 round table for your items. Please note that these tables are probably slightly smaller in space than the rectangular tables used in years past but we should have plenty of walk around space this year with our new venue plus a slightly longer time.

As noted on the Registration forms, the Cost of a Flea Market Table is \$10.00 plus 2 all day tickets. We will have a limited number of tables available, so sign up as soon as possible. You may e-mail revmike@ptd.net or call (610) 698-0311 if you wish to check if a table is available before registering and paying. Thank you.

Magic Auction Information

As noted in our other information the Auction will take place from 12:30 to 2:00 PM. All attending are welcome to submit items for the auction. All items must be submitted for the Auction between 9:30-11:30 AM to be considered. **We will take no more than 6 items in any one lot** - you are welcome to submit more than one lot, but we will do our best to make sure all parties have at least their "Lot A" make it to the floor for auction first, thus trying to give all a fair opportunity for sales. Thus we recommend you place your best items in your "Lot A" or at least the items you wish most to sell.

Also, we will only be considering "***Magic***" and "***Magic Related***" items. The auctioneer will not put up for bid items he/she feels does not meet this criterion. We want the very best for those attending. Please note the following rules:

- ◆ All items must be labeled as to what it is plus the maker/manufacturer.
- ◆ All items must be complete and functional.
- ◆ You must have instructions with the item (*Books and DVDs normally do not have instructions*).
- ◆ If you have a minimum bid, please make sure that is clearly marked.
- ◆ You will be asked to fill out an "*Auction Form*" when you submit your items.

Thank you for your cooperation.
