## *Why Come to the Kutztown Convention?*

For those of you who may not be familiar with the annual convention in Kutztown, you may be asking, with so many different magic conventions, why should we come to Kutztown? What makes this convention special?

First of all, it is a one day convention, so you probably do not have to take off work.. The price is extremely reasonable, especially with our early payment pricing option. Considering today's economy, the value we provide in this convention is unmatched. This is what you receive with your all day ticket:

### **We have:**

- ◆ First and foremost, we have some of the greatest names in Magic. This year we have the incredible Johnny Thompson and Pam, Fielding West, plus Kevin James with his full illusion show.
- ◆ An auction that runs in the afternoon (Anybody attending is allowed to submit lots to the Auction)
- ◆ We have not 1, but 2, lectures for the magicians really interested in learning and honing their craft. This year the lectures will be by Fielding West and Kevin James. Both are of course at the very top in the world of magic. Many times you will pay at least \$20.00 to \$30.00 for one lecture. Here you get 2 lectures plus everything else this convention provides.
- ◆ Very solid, reputable dealers that offer a great variety. At Kutztown, you will not find 5 dealers basically selling the same products.
- ◆ A close-up show prior to dinner.
- ◆ A full Dinner that is included with the price of your ticket (prior to 11/1).
- ◆ A full evening show with our headliners.
- ◆ Our dealers will be open **all day**, so you can stop by any time prior to dinner.
- ◆ You also have the added option of purchasing lunch if you choose right at the convention rather than leaving to go out to eat. You of course, still may do that, but now for your convenience, lunch is available without leaving.
- ◆ We will have refreshments and snacks available for purchase all day.

As a result we believe we offer the best one day convention in the entire country. We are proud of it, and invite you as we present "The Magic of Las Vegas" in Kutztown, PA.

### **New This Year:**

Dealers, Lectures, etc. will all be together this year in the School's Large Gym  
Dinner will return to Family Style format

**Note:** *Under agreement with the School District, outside food or drink is prohibited from being brought into the building except that provided by the School District or Assembly 92.*

## **Magic Auction Information**

As noted in our other information the Auction will take place from 12:30 to 2:00 PM (Tentative Time). All attending are welcome to submit items for the auction. All items must be submitted for the Auction between 9:15-11:00 AM to be considered. **We will take no more than 4 items in any one lot** - you are welcome to submit more than one lot, but we will do our best to make sure all parties have at least their "Lot A" make it to the floor for auction first, thus trying to give all a fair opportunity for sales, however, as with all auctions of this type, we cannot guarantee all will have their items reach the floor for bidding. Thus we recommend you place your best items in your "Lot A" or at least the items you wish most to sell.

Also, we will only be considering "*Magic*" and "*Magic Related*" items. The auctioneer will not put up for bid items he/she feels does not meet this criterion. We want the very best for those attending. Please note the following rules:

- ◆ All items must be labeled as to what it is plus the maker/manufacturer.
- ◆ All items must be complete and functional.
- ◆ You must have instructions with the item (*Books and DVDs normally do not have instructions*).
- ◆ If you have a minimum bid, please make sure that is clearly marked.
- ◆ You will be asked to fill out an "*Auction Form*" when you submit your items - you may get the form in advance by contacting me at revmike@ptd.net and thus have the form completed before you arrive

Thank you for your cooperation.
